

Position Title: **Rescue Technician**

Employment Status: Part-Time Employment
(June– September 2017)

Position Summary:

A Rescue Technician is essential during project, shutdown and turnaround activities. Our staff shall focus on the personal safety of anyone working on our client’s worksite, and provide industrial rescue and medical services around-the-clock during work activities.

Essential Duties:

The successful individual will be assigned to rescue teams and shall be responsible for:

1. Administering advanced emergency medical care to sick and injured workers, including defibrillation.
2. Performing Confined Space Rescue tasks.
3. Performing High Angle Rescue tasks.
4. Acting as a Standby Worker, Bottle Watch or Fire Watch when required, and when not in the capacity of a Rescue Technician.
5. Assisting with Rope Access functions.
6. Completing applicable documentation while on-site.

Conditions of Employment:

- Must be 18 years of age or older and legally entitled to work in Canada
- Must be fluent in written and spoken English
- Completion of Grade 12, GED or Mature Student Diploma
- Valid Class 5 Driver’s License, acceptable driving record and willingness to travel
- Clear Criminal Record Check
- Successful Drug and Alcohol Screening

1850- 17th Street East • Brandon, Manitoba • R7A 7V2

1-877-726-9101
